

PUBLIC NOTICE

SWEEP METER AUDIT IN WALVIS BAY, AFRODITE BEACH, DOLPHIN BEACH AND LANGSTRAND

Dear Esteemed Customers,

Kindly be informed that Erongo RED will be conducting a Meter Auditing exercise in Walvis Bay, Afrodite Beach, Dolphin Beach and Langstrand from April 2025 until October 2025. The contractors conducting the exercise will be easily identifiable through Identification (ID) cards and uniform.

The purpose of this exercise is to determine the state of all meters in these areas and to update Erongo RED's metering database. Through this exercise, all faulty and inaccurate meters will be replaced to ensure accurate metering and billing on all customers.

Please note that ensuring access to the electrical meters is important. If access is not granted, electricity may be temporarily disconnected until access can be provided.

For more information regarding the meter audit, please contact Ragel Hangula at 081 146 4124. Alternatively you can also contact Call Centre at +264 64 201 9680 or 96000 (toll-free).

Your cooperation in the completion of this exercise will be highly appreciated.
